Conditions on Administrative Approval & Expenditure Sanction for the project on “I/D of Sisamau Nala of Kanpur City” in UP

1. General & Technical Conditions:
   i. ‘Uttar Pradesh Rajya Ganga Nadi Sanrakshan Abhikaran’, the State Programme Management Group (SPMG), which is a registered society, shall be responsible for overall planning, management and effective implementation of the project at state level.
   ii. ‘Kanpur Nagar Nigam’ shall be the Urban Local body (ULB) responsible for ensuring commitment to ownership, commitment to reforms for sustainable O & M, and community involvement.
   iii. The Uttar Pradesh Jai Nigam (UPJN) shall be the executing Agency (EA) of the project to be implemented under the guidance of the SPMG, in coordination and consultation with the ULB and overall monitoring of the National Mission for Clean Ganga (NMCG) as per provisions laid down in the NGRBA programme framework.
   iv. The project needs to be suitably aligned with the ‘Strategic Sanitation Plan’ / ‘City Sanitation Plan’ / ‘Master Plan’ for Kanpur, if any. Synergy shall be ensured with other Central / State sponsored programme like JnNURM, UIDSSMT etc. in the project area to avoid any overlap / duplication.
   v. The “NOC” to transfer the land to EA/contractor for the purpose of SPS development need to be issued before bidding and the land need to be transferred to EA and contractor before award of work.
   vi. Operation and Maintenance (O & M) of the project in DBO mode for a period of 10 years will be responsibility of the State Government / Urban Local Body. The cost of the first 6 months O&M has been built into the project. The O & M shall include basic cleaning, service management for the proposed project area. Sustainable revenue generation from beneficiaries shall be encouraged.
   vii. The State Government shall be responsible for operation & maintenance of the sewerage network under the project, after commissioning and project supported O&M period, at its own cost. The bid document on DBO basis should be prepared for the entire project and 10 years O & M period.
   viii. The project is to be implemented within 18 months including period for bidding within specified resources and outputs / outcomes are to be ensured as envisaged in the approved project. Project completion report shall be submitted to NMCG on completion of the project.
   ix. The activities proposed under the project shall conform to all Environmental Legislations and the NGRBA programme framework.
   x. No untreated municipal wastewater should be allowed to fall in the river Ganga in Kanpur, after project commissioning.
   xi. Detailed design & implementation of the sewerage system including pumping stations, and lift station, wherever applicable, should be based on extensive survey. Proper investigation should be carried out before execution to achieve economy in the proposal as well as to avoid any shortfall in the design. Choice of technology should be left open and decided during the bidding process.
xii. Standard procedure as indicated in the CPHEEO manual on Sewerage & Sewage Treatment and codes of practice of BIS will be strictly followed during project implementation.

xiii. Progress of implementation of the project shall be closely monitored by the State Government of UP/SPMG, so as to ensure that the project is completed within the stipulated period of time. In addition the progress (physical & Financial, including funds utilization certificates) needs to be reported to NMCG on regular basis and as and when requested.

xiv. The cost would be restricted to approved estimates or actual whichever is lower and project preparation and supervision charges will be governed accordingly. Any cost overrun or time over run will be brought in the notice of NMCG. Decision of cost overrun and time overrun will be granted based upon discussion in Empowered Steering Committee (ESC) of NGRBA.

xv. The treated sewage must meet the standards prescribed for BOD and coliform and in case where ESC has specifically recommended, meet higher standards.

xvi. Bedding of sewer line need to be taken proper care considering the soil strata of the area as per CPHEEO norms; and Environment and Social Safeguard Reports need to be re-written considering the ESMF framework of NGRBA before bidding. Further suggestions on technical matters of TPA, if any, would be taken into consideration before finalizing bid documents.

xvii. SPMG need to take steps to prepare bid documents in consultation with NMCG.

xviii. The Environmental and Social Safeguard report need to be finalized considering the ESMF framework of NGRBA before bidding.

xix. Revised DPRs, must include the items stated to be left out, in comments of TPA esp. those which are integral to the project (from NGRBA framework perspective), and be finalized before bidding.

xx. Efforts should be made to plan for solar photovoltaic energy generation to reduce the load on grid/DG power.

xxi. Suitable sewage cess / tariff / tax and sewer connection fee may be imposed on the beneficiaries to recover the O&M at the least to start with. However the full project cost recovery at the earliest should be aimed at. To strengthen the billing and collection system of ULB to improve the revenue collection efficiency.

xxii. To impart training to all personnel engaged on construction and O & M for quality construction and O&M of works.

xxiii. The additional supplementary proposals indicated by TPA may be reviewed & considered by the State government separately at its own cost.

xxiv. Regular monitoring of the project implementation in accordance with the NGRBA framework.

xxv. Guidelines issued by MoF and other governing organizations regarding disaster management as applicable be adhered to during project execution.

xxvi. Ensure compliance to all the prevailing government norms GFR 2005 and CVC directions / guidelines, as amended, for selection of “contractors” and executing the works.

xxvii. Compliance with the observations of NMCG and TPA pertaining to the instant project would be ensured by the SPMG / UP Jal Nigam at the time of finalization of Bid Document.

xxviii. Staffs that may be employed for preparation, execution or operation of the project by the EA are not to be treated as employees of the SPMG/NMCG. The deployment of such staff at the time of completion or termination of the project will not be the concern or liability of the SPMG/NMCG.

xxix. All data, records, documents and material related to the project shall be stored properly and catalogued by the SPMG/EA for reference and reference and retrieval including regular uploading/disclosure/updating of such data on website.
